"Welcome to Boopshi's, we are thrilled to have you here.

Our dishes are modern takes on family recipes passed down from our viennese grandparents.

Everything from our schnitzels to our apple strudel have been lovingly made to bring you a slice of our childhood.

Our name also comes from our grandparents who used to call each other "Boopshi" as a term of endearment.

We hope you enjoy our food as much as we have for decades...

Welcome to the family and do come again.

Ed and Ben"
